2020 ACC Tournament Format

Due to the COVID19 pandemic, ACC soccer adjusted the scheduling format to be able to move forward with competition in a safe and responsible manner.

• ACC teams played in two regions in an altered league schedule this fall, with six conference games against regional opponents over a nine-week period.

• North Region: Louisville, Notre Dame, Pitt, Syracuse, Virginia, Virginia Tech (play each division opponent once, plus one region home-and-home)

• South Region: Clemson, Duke, North Carolina, NC State, Wake Forest (play each division opponent once, plus two region home-and-homes)

• The top four teams in each region advanced to play in the 2020 ACC Men's Soccer Championship.

• Due to a combination of injuries and not all of its members returning for the semester, Boston College did not compete in fall ACC play.
